<https://www.linkedin.com/in/chandru-e-44bb6527b>

Summary

I am fresher, interested to learn new technology and I have skilled in 3D printing, HTML, and CSS at the intermediate level and also I have certified in Solidworks with a basic level of the software tool and I am interested to work with your team.

Education

Hindusthan College Of Engineering And Technology 2024
8.16/10 GPA
Mechatronics Engineering

Swamy Abedhanandha Polytechnic College 2021
90%
Mechanical Engineering

Jawahar Matriculation Higher Secondary School 2021
50%
10th SSLC

Experience

Internship In Pneumatic And Hydraulic 2022
Bosch Rexroth CoC-Coimbatore

During my internship, I learned pneumatics, hydraulics, sensors, and PLCs using ladder logic diagrams. I now have a solid foundation to excel in automation and control systems.

Skills

- 3D Printing
- HTML & CSS
- Adobe Photoshop
- SolidWorks
- Figma

Interests

- New Technology
- 3D Printing
- Adobe Photoshop

Hobby

- Travelling
- Surfing on Google
- 3D Modelling

Internship In IOT and DRONES

2022

KLN Idea Lab, Madurai

The "Introduction to IoT and Drones" internship immersed me in IoT and drone technologies, inspiring my passion to make a transformative impact in these fields.

Project

Project Name: "3D Printing OCTOPI "

Using a 3D Printer and Raspberry PI I have Developed an Automatic Print, we can upload the file anywhere in the 3D printer and also with the help Of High-Speed Internet. In This Project, I Have Used the "OCTOPI OS"

Trophies

2023 - L&T Technology and services:

participated in the Techgium event of the 6th edition, which focused on the topic of firmware systems for EV debugging.

2023 - PSG Institute of Technology and Applied Research :

participated in the Technical event Trophe of renaiss conducted during Yukta:2023

Declaration

I declare that all the facts given above are genuine to the best of my knowledge and belief.

Personal Info

- DOB: 26/08/2002
- Nationality - Indian
- Martial Status -Single
- Home Address: 542-D type-2
